

CHERRYWOOD

HANDMADE KITCHENS AND INTERIORS

BESPOKE

KITCHENS THAT MAKE MEMORIES

Cherrywood Bespoke create custom-made, bespoke kitchens and interiors that blend harmoniously with you and your home. Inspired by our family-run values and our North Oxfordshire surroundings, we specialise in the design, creation and installation of entirely bespoke kitchens and interiors that last a lifetime.

Here at Cherrywood Bespoke, we believe that the kitchen is a place where functionality meets beautiful design. Where sustainable materials are transformed by hand into lovingly crafted spaces. And, where skilled experts are dedicated to bringing bespoke kitchen designs to life.

SHAKER KITCHENS

A combination of style, form and function a Shaker kitchen is defined by its minimalistic approach, high-quality materials, and functional finish. The Shaker kitchen reflects the core principles and beliefs of, honesty, simplicity and unity. At Cherrywood Bespoke we are inspired by the traditional appeal that comes with a Shaker style kitchen and love working with such a timeless design style.

Our mission is to capture your vision down to the smallest detail, evolving your ideas into an entirely individual, bespoke kitchen design that you'll love for years to come.

PLYWOOD KITCHENS

Plywood kitchens give you something very individual and beautifully unique to other kitchen styles. With its exposed layers and durable quality a Plywood Kitchen offers a practical and stylish option for those looking for a more modern feel.

Our kitchens and interiors are produced by our skilled makers, using only the very best, carefully considered and sustainably sourced materials. Each project is hand-made from our purpose-built workshop set in the rolling countryside of North Oxfordshire.

Whether you are looking for a brand-new bespoke kitchen to sit at the beating heart of your home, or a new interior to create the perfect dressing room, boot room or study, we have the capabilities to create everything you'll need from a personalised interior and more.
